CBT XPress: 3-Day Accelerated Security+ Training Class in Tampa Bay, FL

We can help your IT team members earn an industry-leading CompTIA Security+ certification in only 3 days at CBT XPress Boot Camp.

Our expert trainers are the authority on the latest technology curriculum and offer one-on-one coaching as part of certification guarantee. Learn on state-of-the-art technical equipment.

Our CompTIA Security+ training class is designed for:

Network support personnel; Network Administrators; IT Security Professionals; government and government contracted information assurance personnel requiring certification for IAT level I, IAT level II, and IAM level I of the DOD 8570.1 Directive.

At CBT XPress CompTIA Security+ 3 day Boot Camp you will accomplish the following:

Security+ Certification:

- Identify security threats
- Harden internal systems and services
- Harden network devices and services
- Secure network communications
- Understanding a Public Key Infrastructure (PKI)
- Understanding certificates
- Enforce an organizational security policy
- Monitor the security infrastructure
- Get your Security+ Certification...and much more!

CompTIA® Security+

Earn the industry-leading CompTIA Security+ certification in only 3 days at CBT XPress Boot Camp.

✓ Security+

*Prerequisites:

Security+: Knowledge and skills equivalent of those tested for in the A+ and Network+ certification exams.

*Note: CBT XPress recommends that a student have the listed prerequisites prior to attending our Boot Camp. If a student desires to attend our class without this prerequisite knowledge, it is at his/her discretion.
